

## New Book Black Rose Released by Fantasy Writer K.L. Bone in Hometown of Clark County, Washington

*1888 Press Release - Popular fantasy writer K.L. Bone recently released her newest book, Black Rose, in her hometown of Clark County, Washington.*

Clark County, Wash. - Today's readers are looking for more than just a good story. They are looking for intricate tales that help them to escape the stresses that real life offers. K.L. Bone, the popular author who appeared with Anne Rice at UndeadCon in New Orleans, has just released another title that is sure to take readers to a faraway place they will enjoy. Black Rose offers an intricate story with complex characters who face many challenges, keeping readers in suspense.

"Releasing Black Rose in my own hometown was really gratifying," Bone said. "My fans have been extremely supportive and understand the detail and depth I attempt to accomplish in every book. I am happy to spend time with them to share Black Rose."

The first installment in a new fantasy series, Black Rose is a dark tale of retribution, love and honor - at any cost. The story opens with Mara, captain of the Black Rose Guard, locked in a state of self-imposed exile. In her isolation, she silently suffers from guilt over her past actions and her separation from Edward, a member of the Royal Guard and the only man to ever hold her heart. Readers join Mara on an intensely emotional journey that spans over a thousand years of pain, loss and forbidden love. These characters sacrifice everything in order to defend the royal court. However, the murder of the princess they were charged to protect inevitably leads them onto a dark path of vengeance from which there is no return. "Mara must ultimately choose what matters most: avenging the death of the princess or Edward's love," said Bone.

Bone recently appeared along with other well-known fantasy authors, such as Greg Wilkey, Sarah M. Cradit, Brandy L. Rivers and Alys B. Cohen, at a signing at The Rusty Grape Vineyard as part of her book release. Fans had a chance to speak with Bone in person as well as have their book copies signed and ask questions about more books that are being planned.

Black Rose can be purchased online now at Amazon. For more information on K.L. Bone, to learn about her book signing schedule or to hear about release dates, visit the author's website, [www.klbone.com](http://www.klbone.com).

### About the Author

Combining her creative writing experience and advanced graduate education in literature, K.L. Bone proves

to have the unique skills for her highly imaginative and compelling four-book fantasy series, beginning with the first book, Rise of the Temple Gods: Heir to Kale. Black Rose, the newest work by Bone, is now available.
